

2005 DISASTER RECOVERY
ATTENTION RIVIERA BEACH HOMEOWNERS

4/13/2009

The City of Riviera Beach is inviting all qualified Residents to submit applications for assistance under the 2005 Disaster Recovery Initiative Program being under-taken by the City of Riviera Beach.

The purpose of this Program is to provide technical and financial assistance to qualified property owners who reside in detached one dwelling structure and are located within the municipal boundaries. Assistance under this program will address property deficiency to meet applicable housing and building codes and to repair damages caused by the October, 2005 Wilma Hurricane.

The scope of work will include but not be limited to - roofing, electrical, plumbing, structural repairs, painting, doors, windows and hurricane protection.

The application requirement checklist is available at:

City Hall, 2nd Floor,
Housing and Community Development,
600 W Blue Heron Blvd. City of Riviera Beach.

Or:

Disaster Recovery Initiative Program Office

2051 Martin Luther King Blvd.,
3rd, Floor-Suite 307

For further information on the program please do not hesitate to contact:Llewellyn at 561-840-3142 or Adrienne at 561-840-3143
