Utility District Lift Station 10 & 50 Project Update

January 31, 2017

On Wednesday, January 25, 2017, the Utility District Board approved a contract with Wharton Smith Inc. to complete the renovation of Lift Station 10 and 50. The City is currently working with Wharton Smith Inc. to mobilize and is expected to begin work in a couple of weeks.

As you recall the Utility District Board voted to terminate the agreement with Close Construction for failure to perform the Work in accordance with the Contract Documents.

The Utility District will provide updates as they become available.
