

YOUR PARKS

YOUR VOICE!

Virtual Kickoff

The City of Riviera Beach Parks & Recreation Department is working to reimagine our parks and invites you to join us for our virtual kickoff! Help determine parks and recreation priorities for your family and your community. All Riviera Beach community members are welcome to attend. The virtual kickoff will be held via Zoom.

In addition to the public meetings, we are providing additional opportunities to participate in the public engagement process. A community needs survey will be mailed out to select households, and an online survey is also available. Share your ideas for the future of your parks and recreation programs in Riviera Beach.
