INTER-DEPARTMENTAL COMMUNICATION

---

**TO:** KAREN HOSKINS, CITY MANAGER

**FROM:** WILLIE HORTON, EXECUTIVE DIRECTOR OF UTILITIES 

**DATE:** APRIL 12, 2018

**SUBJECT:** AVENUE "U" ROAD CLOSURE

---

Attached please find a copy of a Maintenance of Traffic Plan (MOT) submitted by Wharton Smith, Inc. notifying the City of their intent to close Avenue U from West 9th Street to West 10th Street, starting Monday, April 16, 2018, through Friday, April 20, 2018. The reason for the proposed closure is to complete work related to the new constructed lift station 50.

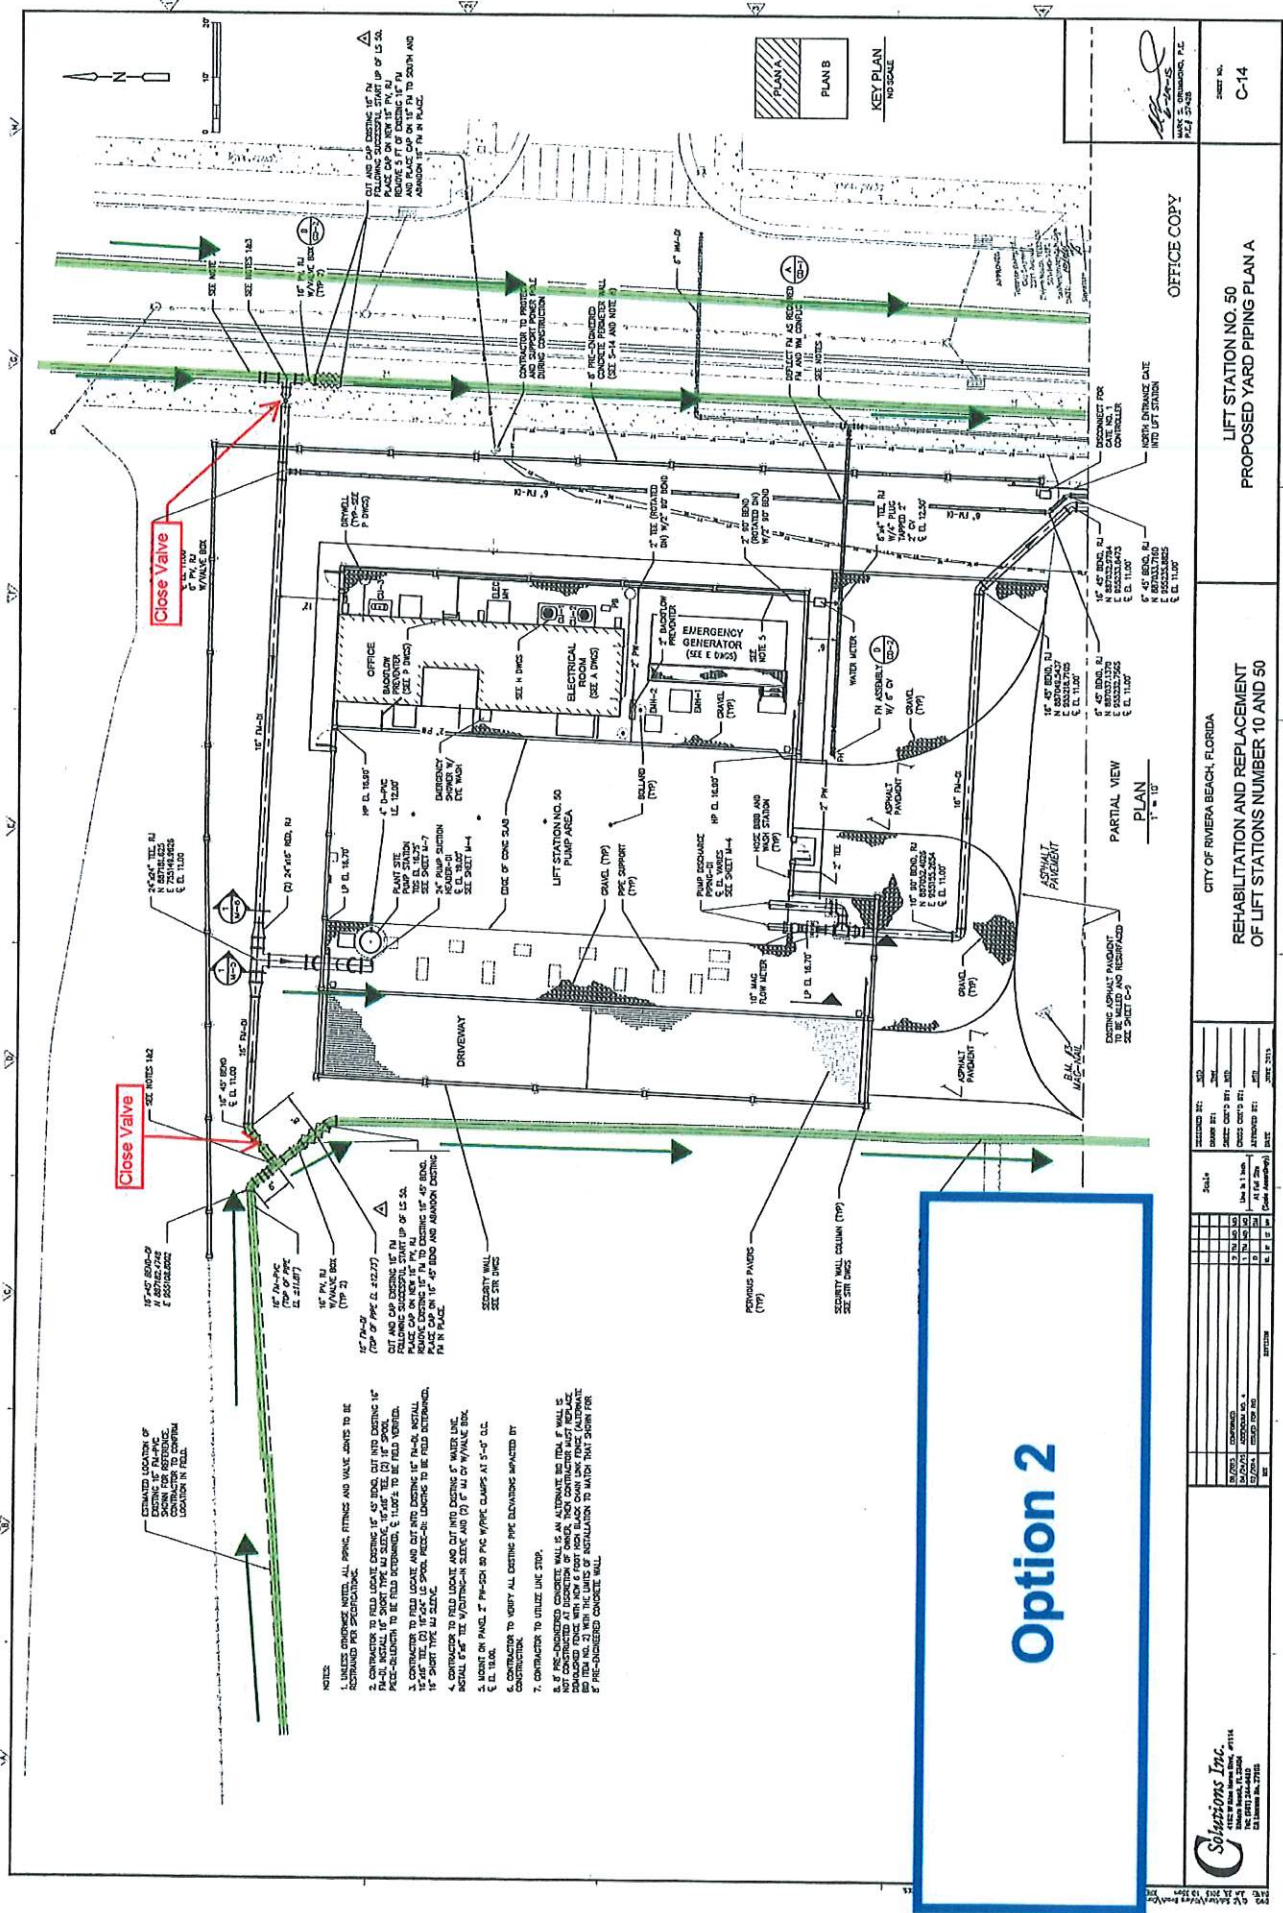

As part of the notification process, Wharton Smith is responsible for notifying the Palm Beach County School District, Palm Tran and the City of all road closure requests. The Utility District will notify all City Departments.

In an effort to further notify our citizens, a message board will be installed to notify our residents of the proposed road closure. Also, the notice will be posted on Channel 18 and the City's Website.

Should you have any questions, please contact my office.
